Promotion of the JLAF

- Guidance Leaflet Produced
- Improved web content
- Presentations to the Youth Parliament

Central Bedfordshire and Luton Joint Local Access Forum

Rights of Way Structures Review

Asking CBC to provide database information on the type and condition of structures on the network; then supporting them to target and prioritise the removal of stiles. – Huge success with over 150 stiles been removed!

Site Visits

We have had a number of site visits, to learn about site management and challenges:
- Luton Hoo
- Mount Pleasant Golf Club
- Dunstable Downs
- Rushmere Country Park
Landscape and Access Master Planning
Shaping and offering support to CBC in their development master planning initiative.

Sub Group - Gating Orders
Commenting on Luton BC Gating order policy and regularly commenting on orders being proposed. We are now monitoring the policies implementation to ensure that it is been adhered to.

Sub Group – Right of Way Policy
We worked closely with the CBC Rights of Way Team in the development of their new suite of policies.
• Enforcement Policy
• Applications Policy
• Ploughing and Cropping Policy

Sub Group – Outdoor Access Improvement Plan
We have had regular sub groups and workshops to assist in the development of CBC’s new Outdoor Access Improvement Plan 2013 - 2031.

Highway Consultations
We have provided responses to:
• Luton BC and Central Bedfordshire's Local Transport Plans
• We received presentations from the Highways Agency and commented on M1 Junction 12 and 10a – representing the needs of walkers and cyclists
