

# Bedfordshire Adult Skills & Community Learning (ASCL) are on the move.

ASCL provides learning for adults and families in a variety of settings and locations in Bedfordshire. Our mission is to work with local communities and partners to provide and promote access to a range of high quality learning opportunities for adults that support family, employment and improve the quality of life and enhance the character of our communities.

Our learning centre in Leighton Buzzard is on the move, at present we are situated at the Riverside Centre in Bridge Street but are relocating to the Theatre/Library complex in the centre of the town creating a community learning hub within the library complex.

Leighton Buzzard Library,  
Lake Street, Leighton Buzzard  
Bedfordshire LU7 1RX

Phase one of the project has been completed with excellent results, creating a bright, vibrant, well equipped learning space that will improve access for learners wishing to take-part in work clubs, improve IT skills and much more.

This is such a great opportunity for ASCL to work in partnership with other services to provide high quality learning for the residents of Leighton Buzzard.

We are open for business at the Library from Monday 20th February, please pop in for a friendly chat and see what we have to offer.
