

## **Appendix 3: Monitoring Framework**

### Local Plan Policy Monitoring Framework:

The Council will assess the performance of individual policies within the Local Plan through the monitoring of indicators identified within the monitoring framework. The monitoring framework checks on the effectiveness of policy implementation. The monitoring framework along with more detailed monitoring will be monitored and reported through the Councils Authority Monitoring Report on an annual basis.

Policy	Strategic Objective	Monitoring Indicator
<b>The Spatial Strategy</b>		
<b>SP1</b> Growth Strategy	SO1, SO2, SO5, SO6, SO7
