

TERMS OF REFERENCE

1. Title

- 1.1 The Central Bedfordshire and Luton Joint Local Access Forum.

2 Reference Area

- 2.1 Central Bedfordshire and Luton Borough.

3. Status

- 3.1 The Central Bedfordshire and Luton Joint Local Access Forum ("The Forum") will be a statutory advisory body having no executive functions, funded by Central Bedfordshire Council and Luton Borough Council and administered by Central Bedfordshire Council. Established under section 94 of the Countryside and Rights of Way Act 2000 and Statutory Instrument 2002 No 1836 The Local Access Forums (England) Regulations 2002.

4. Advice given by the Forum

- 4.1 The Forum performs a statutory function and all section 94(4) bodies are required, under section 94(5) of the CROW Act, to "have regard, in carrying out their functions, to any relevant advice given to them" by a forum. 'Having regard' means that although not bound to follow such advice, section 94(4) bodies are legally required to take it into account in carrying out their functions.
- 4.2 When submitting advice to section 94(4) bodies it is recommended that the legal status of the Forum's advice is made clear to the recipient. This can be achieved by including a statement to the effect that:-

This letter constitutes formal advice from the Central Bedfordshire and Luton Joint Local Access Forum.

[Insert name of relevant section 94(4) body] is required, in accordance with section 94(5) of the Countryside and Rights of Way Act 2000, to have regard to relevant advice from this forum in carrying out its functions.

4.3 Advising and consultation

- 4.3.1 The legislation does not define when, how or in what circumstances the Forum should advise, and it is therefore for the Forum to decide what would be most appropriate within the local context. There are likely to be additional matters which are important to the Forums and these can be discussed where appropriate. Advice can be given on :-

4.3.1.1 Public Rights of Way

- 4.3.1.2 Public access land over which a right of access exists under part 1 of the CROW Act 2000
- 4.3.1.3 Other public access issues
- 4.3.1.4 Different forms of access
- 4.3.1.5 Common Land
- 4.3.1.6 Access to water
- 4.3.1.7 Access by different types of user and by all sections of society
- 4.3.1.8 Land use planning policies and planning applications
- 4.3.1.9 National policy development

4.3.2 The Forum can give advice without being invited to do so, and their advice can relate to any of the activities/functions/policies of the section 94(4) body concerned (in so far as it affects access to land and/or open air recreation, etc).

4.3.3 When requesting advice from the Forum, Section 94(4) bodies should remember, and make appropriate allowance as far as possible for the fact, that the Forum does not meet on a frequent basis and may face difficulties in dealing with short deadlines.

4.4 **Influencing decision makers**

In giving advice, the Forum should aim to **influence** section 94(4) bodies and thereby contribute effectively to the quality and robustness of decision-making. Influence will be enhanced where a forum provides **independent, constructive, relevant, inclusive, incisive** and **informed** advice which takes account of a broad range and balance of local interests and which assists section 94(4) bodies in carrying out their functions. Forums should consider other ways to maximise the usefulness (and therefore impact) of their advice. For example, advice should be delivered at the optimum point in the decision-making cycle and in ways which recognise and take account of the decision-maker's needs, objectives, constraints and role.

4.5 **Obtaining feedback from section 94(4) bodies**

It is important that section 94(4) bodies provide feedback to the Forum. This will enable the Forum to see how they are making a difference, and when advice is not followed (for whatever reason) it will help them to understand why. Feedback is important in enabling the Forum to improve the relevance and usefulness of their advice in the future.

4.6 **Proactively advising**

Much Forum work will inevitably be reactive and dependent on the timing of various initiatives or consultations. However, the Forums should adopt a proactive approach in setting their priorities and giving advice. Situations where a proactive approach can assist a section 94(4) body include giving 'early warning' of a potential problem or identifying possible solutions to an issue from a novel or fresh perspective. A proactive approach can also increase a the Forum's influence by enabling it to advise at an earlier stage in the decision-making process, before the options are narrowed down.

4.7 **Directing the Forum advice to most appropriate recipient**

When submitting advice it is important to ensure that it gets to the right person or team, so that it can be dealt with promptly. Before submitting unsolicited advice it is recommended that the Forum secretary first identifies the correct recipient by name. This will avoid correspondence being sent to the wrong office or address, with wasted time and effort which results. This is especially important in the case of large organisations such as Government departments and agencies

4.8 **Prioritising and focusing on strategic issues**

It is recognised that Forum members are volunteers and that many will be giving their time and experience freely. There will be a limit on the amount of time which Forum members are able, or prepared, to devote to this work, and it will be important for Forums to ensure that their workload is

manageable. At the same time Forum members will be keen to ensure that their time and experience is utilised to maximum effect.

5. Administration of the Forum and the Role of the Authorities

- 5.1 The Forum will be administered by a Secretariat provided by Central Bedfordshire Council.
- 5.2 Central Bedfordshire Council and Luton Borough Council will jointly fund the Forum
- 5.3 Each Authority will appoint a link officer who will liaise with the Secretariat and the Forum
- 5.4 The two authorities will establish a joint selection panel who will appoint members equitably according to selection criteria and the member's purpose and role.
- 5.5 Each Authority will have regard to the forum's advice when making their decisions.
- 5.6 Each Authority will relay the advice given by the Forum to the relevant committees and/or members of each authority at appropriate times and ensure that the Forum receives feedback

6 Measuring effectiveness

- 6.1 Appointing authorities and Forum members will want to ensure that time invested in their forums is worthwhile and that advice makes a positive contribution to decisions affecting the local area. The Forum should therefore consider and agree criteria against which to measure their effectiveness (possible measures might be the amount, relevance, range of advice given; feedback from section 94(4) bodies; assessments of where advice has made a difference). This will help the Forums to improve their effectiveness and make appropriate adjustments where necessary. The information can also be used in preparing the annual report.

7. Membership of the Forum

- 7.1 The Forum will consist of no fewer than 10 and no more than 22 members.
- 7.2 Membership will be balanced to avoid dominance by any single interest group and encourage cross-sectional interests that will include a broad range of experience and interests in recreational use of the countryside, land management and other relevant interests (e.g. tourism, local transport, enterprise and economy, health, disabled people, young people, older people, ethnic and low income groups).
- 7.3 Members appointed will be those that appear to the appointing authority to be representative of the interests of **a)** users of local public rights of way, 'Open Access' land and the wider countryside **b)** owners and occupiers of countryside mapped as access land or land crossed by rights of way; **c)** any other interest especially relevant to Central Bedfordshire's and Luton's countryside.
- 7.4 Forum members will be appointed by a selection panel that will assess if applicants have sufficient experience and interest in outdoor access issues within Bedfordshire and Luton to be able to make an informed and constructive contribution to improving access provision. This assessment will be based on the application form and selection criteria. The selection process will aim to ensure a **reasonable** balance between the number of members representing the interests in paragraph **7.3(a)** above, and those representing the interests in **7.3(b)**. The Regulations contain no provision for the appointment of 'independent' members.
- 7.5 Members will act in the best interests of the people of Central Bedfordshire and Luton and not through individual interest agendas.

Members of the Forum, once appointed, will be acting in an individual capacity rather than as a representative of a particular organisation.

- 7.6 Members who have a personal interest, whether direct or indirect, in a matter to be discussed by the Forum should disclose that interest at the meeting.

A personal interest is defined as one which might affect a member's well-being, financial position or business, or that of a relative or friend, to a greater extent than that of other council tax payers, ratepayers or other inhabitants of the area.

Personal interests will be recorded in the minutes. This will not necessarily prohibit that member from taking part in discussion of that item but they may not vote on the issue.

- 7.7 Members will be expected to confirm their support to the positive purpose of the Forum, commit to working within the Terms of Reference and through constructive working with other members.
- 7.8 Members must be willing to commit the necessary time to attend meetings, training etc. and be willing to actively contribute to produce outputs.
- 7.9 Members must be prepared to network information, recommendations and advice to the Forum from the members of their own group, organisation or area of interest.
- 7.10 Members must be prepared, within reason, to work up ideas or actions outside of the confines of the Forum, reporting back as necessary.
- 7.11 Members will respond quickly and efficiently to reasonable requests for information from the Secretariat.
- 7.12 Members will be appointed for terms of either one, two or three years, with the option of further periods of appointment. The Forum's membership and operation will be reviewed by the appointing authorities every three years to ensure that the Forum remains relevant to the needs of the area.
- 7.13 The Forum will have a Chair and Vice-chair appointed by nomination and election from amongst members at the first meeting of the Forum each year. The Chair and Vice-chair will each be elected for a period of one year. The Chair and Vice-chair should not be from the same interest group. When the term of office has expired or either post becomes vacant for any reason, both posts will put forward for re-election. Individual members may only be elected to either post for a maximum of three consecutive years.
- 7.14 Members may have their appointments terminated because of prolonged unauthorised absences from meetings or misconduct. Removal of members from the Forum must be agreed in writing by the Chair, Vice-chair and the Secretary.
- 7.15 Members will be expected to give one months notice in writing to the appointing authority should he/she wish to resign from the Forum.

8. Role and Responsibilities of the Forum

- 8.1 It is an advisory body created as a result of the Countryside and Rights of Way Act 2000 (Part V S94-95 Jan 2002) with the primary function to work for the improvement of public access to land in Central Bedfordshire and Luton for the purposes of open-air recreation and enjoyment.
- 8.2 In carrying out this function the Forum must have due regard to the needs of land management and the desirability of conserving the natural beauty of Central Bedfordshire and Luton (includes flora, fauna, geological and physiographical features) and guidance given from time to time by the Secretary of State.
- 8.3 **To give advice on the implementation, management and review of the statutory right of Open Access to the countryside by;**
 - 8.3.1 Providing advice to the Councils and Natural England;
 - 8.3.2 To assist Natural England or Forestry Commission (in woodland dedicated as access land) in respect of local restrictions on access to the countryside by;
 - 8.3.3 Identifying relevant issues that need to be taken into account in deciding how best to implement any advice received from Natural England and English Heritage, and in considering applications made on land management grounds, where consulted;

- 8.3.4 Helping to identify best practice for the management of access restrictions in Central Bedfordshire and Luton.
- 8.3.5 To provide advice to Central Bedfordshire Council and Luton Borough Council on the implementation of their Rights of Way Improvement Plans.
- 8.4 **To give advice on the development and implementation of recreation and access strategies which;**
- 8.4.1 Sets public rights of way and open access in a broad context, integrating provision for access, all forms of open-air recreation, transport, tourism, health and public information;
- 8.4.2 Ensures provision is made for all users, and reflects the needs of local people;
- 8.4.3 Addresses the co-ordinated use of resources to deliver integrated recreation and outdoor access provision and management in Central Bedfordshire and Luton.
- 8.5 **The Forum will aim to:**
- 8.5.1 Develop a constructive and inclusive approach to the improvement of recreational access to the Central Bedfordshire and Luton countryside;
- 8.5.2 Adopt inclusive and consistent approaches with neighbouring Access Forums;
- 8.5.3 Disseminate its advice to Members of the appointing authorities and other bodies as appropriate;
- 8.5.4 Seek specialist technical advice and training for Forum members when needed and appropriate;
- 8.5.5 Work as a cohesive team engaging in constructive debate, seeking consensus on all reports.
- 8.5.6 It should be the aim of the Forum to carry out its business by discussion and consensus without the need for frequent formal voting. However where this is not possible, each member of the Forum present at a meeting shall be entitled to exercise one vote. Voting on any issue shall be determined using the simple majority method by show of hands. In the event of an equality of votes the Chair shall have a second or casting vote.

9. Role of Secretary

- 9.1 The appointing authorities will employ a secretary “who shall be responsible for the administration” of the Forum. The role of secretary is a critical factor in the effectiveness of forums. It is important to ensure that a suitable person is appointed to the position. The secretary should have sufficient time to devote to their duties as well as knowledge and experience relevant to their role and the work of the Forum. A secretary can be appointed on a part-time basis or they may be an existing council employee, but they cannot be a Member of the appointing authority, nor a member of the Forum itself.
- 9.2 Where an existing employee is appointed as secretary, a clear separation between their Forum and any other responsibilities should be maintained. An existing employee may come from a relevant department of the authority or from ‘committee services.’ In the latter case, specialist staff (e.g. a rights of way officer) will need to be on hand to assist with the more technical aspects of the work. The precise arrangements will depend on what works best at the local level, but the impact on the Forum’s effectiveness and on the chairman’s workload should not be under-estimated.
- 9.3 The Secretary is responsible for the administration of the Forum, and will thereby help to reduce the burden on the Forum’s members. Forums can help their secretary by identifying what level of support and information is required to enable the Forum to undertake its advisory role, and by giving the secretary clear direction and instructions.
- 9.4 Effective administration of a Forum will include the following activities:-

9.4.1 **Meetings:-**

- 9.4.1.1 Organising and advertising meetings,
- 9.4.1.2 Provide a venue for meetings with full and appropriate facilities
- 9.4.1.3 Preparing and circulating the agenda, commissioning/circulating papers in advance of meetings;
- 9.4.1.4 Taking the minutes of meetings;
- 9.4.1.5 Assisting the chairman and members in conducting meetings so as to comply with statutory requirements and this Guidance;
- 9.4.1.6 Ensure the meetings and proceedings of the Forum are publicised;

9.4.2 **Information management:-**

- 9.4.2.1 Assisting with production of the forward work programme
- 9.4.2.2 In conjunction with the Forum Chairman publish an annual report and send a copy to Natural England;
- 9.4.2.2 Acting as the point of contact for anyone wishing to contact the Forum, and forwarding information on to the chairman and/or members as appropriate;
- 9.4.2.3 Receiving, prioritising and processing consultations and requests for advice;
- 9.4.2.4 Assisting in production of publicity material, events and a webpage;

9.4.3 **Liaison with:-**

- 9.4.3.1 The appointing authorities, regarding financial management of the Forum, processing of members' expenses, etc;
- 9.4.3.2 Forum members and the appointing authorities over training and site visits (including any health and safety requirements);
- 9.4.3.3 Neighbouring Forums and regional contacts;

9.4.4 **Reporting forum advice:-**

- 9.4.4.1 Ascertaining the appropriate named individual or team to which Forum advice should be sent
- 9.4.4.2 Sending the Forum's advice to section 94(4) bodies
- 9.4.4.3 Seeking feedback and reporting back to the Forum.

9.4.5 **Website:-**

- 9.4.5.1 Maintain the Forum website.

9.4.6 **Financial Management**

- 9.4.6.1 Administer the Forum finances including
 - a) Reimbursing reasonable expenses incurred by members in attending meetings of the Forum and other approved activities, including travel, subsistence and dependent care, in the course of members undertaking their duties.

- b) Reimbursing the cost of places on organised training courses considered appropriate and necessary by the Chair and Vice Chair

10. Working arrangements

- 10.1 The Forum is required to hold at least two meetings per year. It is anticipated that the frequency will be increased as required. The frequency of the meetings can be reviewed by the Forum.
- 10.2 No meeting shall conduct business unless there are i) at least one third plus one of the membership present and ii) the Chair or Vice-chair is present.
- 10.3 Agendas will be agreed between the Chair, Vice-chair and the Secretariat.
- 10.4 Each authority, through its link officer and members of the Forum may request items for inclusion in the agenda of any meeting provided that they inform the Secretariat no later than eight working days before the meeting. Agendas and any relevant papers will be circulated to members no later than seven working days before any meeting.
- 10.5 There will be a time limit of 10 minutes for the presentation of any major papers and 5 minutes for the presentation of any minor papers to any meeting. If more than two major papers are included in the papers for any one meeting, the time for presentation of these will be reduced to 5 minutes for each. The Chair will have the authority to stop the presentations if they exceed these timings. This will ensure that members have time to discuss papers presented at all meetings and respond with their views.
- 10.6 Meetings will be advertised in advance on the Central Bedfordshire Council website, CBC Countryside Access facebook page and the Luton Borough Council website.
- 10.7 Agendas, papers and minutes of the meeting will be available to the public on the Central Bedfordshire Council and Luton Borough Council websites and office as specified in the regulations.
- 10.8 The meetings of the Forum and any sub-committees established will be open public meetings at venues accessible to the public. The Chair retains the power of exclusion to suppress or prevent disorderly conduct or other misbehaviour at a meeting.
- 10.9 Members of the public are welcome to attend the Forum meetings and may be permitted to contribute to discussions on the agenda items at the discretion of the Chair.
- 10.10 If a member of the public wishes to talk on a subject which is not an agenda item at the Forum meeting, they will be required to give 2 working days notice to the Secretariat stating the subject that they wish to speak on. This will normally be limited to 5 minutes, within the public questions section of the agenda, but the Chair may reduce this time limit because of the length of the agenda or the number of people wanting to speak. Speakers must keep to the subject, avoid using offensive or abusive language, and keep to time.
- 10.11 The Chair and Vice-chair will invite observers to the meeting when appropriate.
- 10.12 Observers will be able to contribute to the proceedings at the discretion of the Chair.

11. Forward work programme

- 11.1 Although not a statutory requirement, it is strongly recommended that the Forum prepares a forward work programme which sets out the Forum's priorities and special areas of interest. This does not need to be over-detailed or time-consuming to produce. It can be made available for public inspection and can play an important role in helping to:-
- 11.1.1 Ensure that the Forum focuses on issues which are the most relevant for the area;
- 11.1.2 Clarify the issues on which the appointing authority(ies) or other section 94(4) bodies would benefit from receiving advice;

- 11.1.2 Timetable when specific matters are likely to be discussed by the Forum, enabling the secretary to commission reports or speakers, etc;
- 11.1.3 Inform the public about the work of the Forum, and assist the appointing authority in recruiting suitable new members;
- 11.1.4 Identify training or other requirements;
- 11.1.5 Review effectiveness when preparing the Forum's annual report.

12. Annual report

- 12.1 Every Forum is required to produce an annual report on the discharge of its functions. Again, the report need not be over-detailed, but should briefly set out the main issues and occasions on which the Forum gave advice during the year, and indicate the bodies to whom advice was given. The report may also:-
 - 12.1.1 Review how effective the Forum was in meeting its own criteria for measuring success or effectiveness and completing its forward work programme;
 - 12.1.2 Identify the Forum members and the interests they represent;
 - 12.1.3 Give information on the meetings held and the main issues discussed;
 - 12.1.4 Give information on any training events held;
 - 12.1.5 Summarise any feedback received from section 94(4) bodies;
 - 12.1.6 Identify issues which posed a particular challenge for the Forum;
 - 12.1.7 Address other issues relevant to the work of the Forum.

13. Public Access to documents

- 13.1 The agenda and any reports to be considered at a Forum meeting must be available for public inspection at the offices of the appointing authorities at least three clear days before the meeting, except where:-
 - 13.1.1 A meeting is convened at shorter notice, in which case the agenda and reports must be open for inspection from the time the meeting is convened; and
 - 13.1.2 An item is added to an agenda, in which case copies of the document adding the item to the agenda (or of the revised agenda) and any associated reports shall be open for inspection from the time the item is added to the agenda.
 - 13.1.3 Copies of the minutes, the agenda, any reports submitted for a meeting of the forum, a list of any background papers for the report in question, and at least one copy of each background paper, are open for public inspection at the offices of the appointing authorities for at least two years from the date of the meeting.
 - 13.1.4 Documentation connected with a consultation on a direction to restrict access on a long-term basis will not be open to public inspection where the relevant authority or the Secretary of State has decided not to publish a notice in the public or defence interest. It should be remembered that the public can be excluded from a Forum meeting whilst such matters are under consideration.

14. Sub groups

- 14.1 A meeting involving a smaller group of Forum members who are interested in a particular issue can be a useful way to manage the Forum's work and make best use of members' time and expertise.
- 14.2 The purpose (and status) of a sub-group meeting should be agreed beforehand: If it is intended that it will lead to the submission of advice directly to a section 94(4) body (i.e. without first reporting back to a normal Forum meeting) then it will need to be conducted in full accordance with the Regulations (open to the public, availability of agenda, minutes and reports, etc) and meet any local requirements for a quorum. In effect this means that the meeting must be a *bona fide* meeting of the Forum. **A meeting which does not comply with the statutory requirements (or quorum) will not constitute a meeting of the Forum and cannot give advice to a section 94(4) body** - instead its deliberations should be reported back and discussed at the next Forum meeting.

- 14.3 Forum members attending sub-group meetings, informal meetings, training sessions or site visits, are entitled to claim travel and subsistence expenses and any expenses of arranging for the care of their children or dependants in accordance with the regulations.

15. Site visits

- 15.1 Site visits can provide a useful way for Forum members to consider and discuss access and open-air recreational issues affecting their local area. Before a site visit the Forum secretary should obtain advice, as appropriate, from the appointing authorities) in respect of health and safety, etc, and obtain any necessary permissions from land owners, etc. Forum members attending a site visit are entitled to claim travel and subsistence expenses and any expenses of arranging for the care of their children or dependants in accordance with the regulations.

16. Business between meetings

- 16.1 The timing of requests for advice may not always correspond with a Forum's meeting cycle. Liaison with the appointing authority in preparing the forward work programme and setting meeting dates should minimise this. Forums may also anticipate the need for advice and plan ahead by developing (and keeping under review) 'position statements' setting out advice on broad principles or key issues. The statements can then be used, if appropriate, by the Forum chairman or secretary in responding to section 94(4) bodies when advice is required between Forum meetings.
- 16.2 Consultations and requests for advice will usually be sent to the Forum secretary, who should process them in accordance with a procedure agreed by the Forum. This is likely to involve advising the chairman on prioritisation of any consultations, or requests for advice received. The chairman may discuss the handling of the issues with other Forum members by telephone, e-mail, etc. Depending on the importance of the issues raised it may be decided that:-
- 16.2.1 The issue should be added to the agenda of the next Forum meeting;
- 16.2.2 An extraordinary meeting of the Forum or a sub-group should be convened;
- 16.2.3 Previous advice or a pre-agreed position statement provides adequate or interim advice;
- 16.2.4 The Forum should not respond to certain consultations (e.g. because the issues have limited relevance to the local area); or
- 16.2.5 The chairman (or members) of a Forum might express views in a personal capacity.
- 16.3 When Forum members express opinions in a personal capacity they should avoid giving the misleading impression that the views expressed represent the formal advice of the Forum under section 94 of the CROW Act.

17. Training

- 17.1 It is recognised that Forum members may require training (e.g. to develop particular skills and to improve their technical knowledge). The authorities and the secretariat are encouraged to help members identify training needs, to find ways of meeting those needs, and to provide resources accordingly. The Forum should take responsibility for:-
- 17.1.1 Identifying their own training needs; and
- 17.1.2 Discussing with the appointing authorities how best to meet those needs.

18. Networking and raising awareness

- 18.1 Forums are expected to improve liaison and understanding with, and between, local interests involved with outdoor access and countryside recreation. Networking can help forum members to perform their role more effectively. For example, Forums and their appointing authorities might consider:
- 18.1.1 Producing a Forum newsletter, publicity leaflet, or website to communicate and engage with the wider public, and particularly with socially excluded or disadvantaged groups

- 18.1.2 Hosting an annual event or meeting to highlight the Forum's work, or displaying information at a county show
- 18.1.3 The use of facebook and other social media to increase the profile of the Forum
- 18.2 Individual Forum members also have a role to play in providing information to, and engaging with, the interests which they represent. Many Forum members will have links with local organisations and networks which can help in this, although they should not overlook those organisations to which they do not belong.
- 18.3 Forum members who are members of a local council or Chilterns Conservation Board can act as an 'ambassador' or 'champion' for the Forum within the authority as well as help to improve the quality of Forum advice by explaining the authority's policies and constraints to fellow Forum members.
However, such members need to avoid prejudicing the independence of the Forum's advice.

19. Regional liaison and cross boundary working

- 19.1 Forums should take steps to establish close cross-boundary links with neighbouring Forums to ensure that issues of common concern or about adjacent parcels of land or water courses, are considered in a consistent way. Coordination and liaison arrangements will be for Forums and appointing authorities to determine themselves, although support from Natural England is also provided (the precise details of which differ within each region).
- 19.2 Regional or sub-regional events which bring together Forum members can provide a useful way to share knowledge and exchange good-practice. They can also provide an opportunity for representatives of some of the national section 94(4) bodies to engage with Forum members.

20. Financial issues

- 20.1 It is for appointing authorities to ensure that they set aside adequate financial and administrative resources for running the Forum. This will include, for example, the costs of copying and distributing papers, employing a secretary, accommodation/refreshments, and members' expenses, publication of the Forum's annual report, recruitment of Forum members and other reasonable support and training needs.
- 20.2 It is recommended that the Forum and the appointing authority consider and identify the financial and other needs of the Forum at the start of each financial year, as well as the means by which funding will be allocated and managed.
