HT058	Emerging DS Policy 60 CB/15/00297	OUTLINE	Houghton Regis	North of Houghton Regis (Site 2 - Land West of Bidwell)	Greenfield		This site has outline hybrid planning permission for up to 1,850 homes. The Council's Housing Trajectory reflects the appropriate level of delivery anticipated for this site. It is known that the substantial majority of HRN2 is now being marketed for release to developers and the HRN2 consortium are in the process of securing S38 and S278 approval for the main highway infrastructure. The outline hybrid planning permission already provides the necessary planning permission for strategic drainage infrastructure and the estate roads. Following the initial marketing of the site, three named housing providers have already been identified for the first four phases of development. These are Linden Homes, Bloor Homes and Bellway. The first phase development is capable of delivering more than 100 homes without the need for any enabling infrastructure as this parcel will be served directly off the existing A5120 Bedford Road. Two other major housing sites are already underway in the immediate vicinity, off Bedford Road (Taylor Wimpey and Persimmon), and it is understood the existing services are capable of supporting new housing in this location within the immediate future without significant enabling work. The other three phases for which housing providers have been named are to be served from the existing Thorn Road and thus will require limited enabling works.  The first parcel will be built by Linden Homes. This will be for 91 dwellings and a RM is expected in February 2018. An RM for 236 is expected from Bellway Homes in March 2018 - the highway works for this parcel are complete. Both Linden Homes and Bellway Home will be building on site in 2018/19.  <b>Potential Barriers:</b> None identified	Deliverable	0	0	603	0	40	150	150	150	113	37	150	150	150	150	150	150	150	150	150	10	0	0	0	0	0	0	1,850	1,850

HT079	CB/11/01937	OUTLINE	Leighton Buzzard & Eggington	East of Leighton Linlade (Chamberlains Barn)	Greenfield	Status: Promoted site in withdrawn Development Strategy with Outline permission Landowner intent to develop Existing Use: Agricultural	Permission has been granted for up to 950 dwellings. Full permission for the vehicular access road has been granted. It will take 12-18 months to complete but housing will be delivered prior to its completion. In terms of the progress of this scheme; the area plan has been submitted and approved; 16 of the 17 pre commencement conditions have come in and are being discharged; The remaining condition is the design code which is being worked on now. Correspondence from the land owner sets out that ground engineering works are currently being undertaken in accordance with the agreed restoration scheme and that the first phase of 360 units will be handed over to the purchaser in September 2018. The agent (Savills) have informed the council that the completion rate will be approximately 20 in 2018 and 150 per annum thereafter. A conservative approach has however been taken in this Trajectory. Redrow will be delivering phase 1 which will be for 299 dwellings. The RM for this phase is expected in February 2018.
