The next network event will be held on Wednesday 14th November 2018 at 1.30 pm at The Rufus Centre, Flitwick.

This event is for designated safeguarding leads, deputy designated safeguarding leads, safeguarding governors and family support workers within schools. The event will focus on Social Care thresholds, Supervision within schools and suicide response. There will be discussions around local learning, national learning and any trends we are seeing through the HUB, as well as advice in how to respond to these. The event will also cover updates on statutory guidance particularly KCSIE 2018.

Delegates will have the opportunity to discuss all things safeguarding as well as having any queries answered, to network with other safeguarding leads from across the LA and also the opportunity to gain valuable insight into some of the trends we are seeing and how best to deal with them.

Please note that this is a **free** event for schools and academies in Central Bedfordshire only and has limited capacity so there is strictly only 2 people per school.
