HIRED

Skills Support for Redundancy offers advice, guidance and re-training opportunities to help people prepare for new careers or business start-up after redundancy. The programme consists of four stages.

STAGE 1

Initial group presentations (optional up to 90 min in length)

Group presentations are held in conjunction with Jobcentre Plus and other support agencies. During the presentation the adviser will discuss the support available as well as the process with you.

STAGE 2

Individual Career Planning and Skills Analysis Interview (mandatory)

During the confidential one-to-one session you will receive career guidance and you will formulate a career and job search action plan. The session can be scheduled at your place of work or off-site.

STAGE 3

Skills Training (optional)

If you have identified training or up-skilling in your action plan this programme may provide you with the necessary funding. The training can cover areas such as self-employment, interview and job search techniques or the skills you need for a change of career.

STAGE 4

Securing Employment

The aim of this programme is to help you secure sustainable employment as quickly as possible. We will therefore assist you to gain the skills, advice and practical support you need to succeed.

Whether you are considering a career change, departmental change or self-employment this programme is available to help you succeed.

Eligibility criteria

To participate you must be over the age of 19, live in the East of England (Hertfordshire, Bedfordshire, Cambridgeshire, Norfolk, Suffolk or Essex), be under consultation of redundancy or be under notice of redundancy or have been notified that you may be affected by downsizing or closure or have been made redundant within the last six months from your start date on the programme and be eligible for Agency and ESF funding under normal rules.

This project is financed by the European Union.
