*Where a child living within the administrative area of Central Bedfordshire Council has been unable to secure a school place through the normal transfer process, the Local Authority has a duty to nominate the next nearest school with places available.

How place were offered at oversubscribed schools (including the last place offered)

Home to school distances for admission allocation purposes are measured along a straight line between a child's address and school/academy. The measurement is taken from the NLPG (National Land and Property Gazetteer) address point of the child's house to the designated measuring point of the school. Address point data is a nationally recognised method of identifying individual residences. This is an objective method of measuring home to school distances consistently when applying admission criteria. It does not take into account the actual or expected route a child will travel to school.

Ardley Hill Academy – 60 places available

On time

	Criterion	Requests	Places offered
1	All 'looked after' children or children who were previously 'looked after'	1	1
2	Catchment Sibling	5	5
3	Catchment	16	16
4	Siblings (non-catchment)	19	19
