

WIN a leisure centre voucher

We need your help to develop a new website which will provide careers information and advice.

The site will also include options for post-16 education and training, plus local employment information and will also signpost to other national websites that provide further information and support.

To ensure we get the website right, we want to involve potential users of the website at various stages. At this point we need you to help us review some existing websites and decide which are most useful and easy to use.

If you complete the survey, you be in with a chance of winning a £25 leisure centre voucher for:

- 1 badminton session
- 1 squash session
- 1 family swim session
- 1 group training class

All you have to do to be in with a chance of winning is to take part in our short survey, available here:
