

## Application for a variation of permit conditions

Local Authority Pollution Prevention and Control  
Pollution Prevention and Control Act 1999  
Environmental Permitting (England and Wales) Regulations 2010

### When to use this form

This environmental permitting regime is known as and referred to as Local Authority Pollution Prevention and Control ('LAPPC'). Installations permitted under this regime are known as Part 'B' installations. Use this form if you already have a permit issued under [The Environmental Permitting Regulations 2010](#) and wish to vary the permit conditions or wish to make a change to your installation.

### Before you start to fill in this form

You are strongly advised to read relevant parts of the Defra [general guidance manual](#), issued for LA-IPPC and LAPPC revised in April 2012. This contains a list of other documents you may need to refer to when you are preparing your application and explains some of the technical terms used. You will also need to read the relevant guidance sector note, BREF note or [Process Guidance Note](#) to see what standards and requirements are likely to be expected of your installation.

### Which parts of the form to fill in

You should fill in as much of this form as possible. The appropriate fee must be enclosed with the variation application to enable it to be processed further. When complete, send the form, the fee and any additional information to:

**Public Protection, Central Bedfordshire Council, Priory House, Monks Walk, Chicksands, Shefford, Bedfordshire, SG17 5TQ.**

### Other documents you may need to submit

There are a number of documents you may need to send us with your variation application. Each time a request for a document is made in the form you will need to record a document reference number for the document or documents that you are submitting in the space provided in the form for this purpose, please also mark the document(s) with the permit reference number and name of installation.

### Using continuation sheets

In the case of the questions on the form itself, please use a continuation sheet if you need extra space; but please indicate clearly on the form that you have done so and put a document reference number on the form and the document(s). Please also mark the document(s) with the permit reference number and name of installation.

### Copies – *not relevant for e-applications*

Please send the original and [ ] copies of the application form and all other supporting material to assist the Authority in conducting any necessary consultation process.

### If you need help and advice

We have made the application form as straightforward as possible but please contact the Public Protection Team if you need any advice on how to set out the information we need.

**B1.2 Why is the variation application being made?**

|  |  |
|--|--|
| Specific permit conditions will require amending   |  |
| We are unsure whether the proposed changes will require a variation and wish the local authority to advise on this |  |

### B1.3 Site maps

Please provide:

- A suitable map showing the location of the installation clearly defining extent of the installations in red and indicating the extent of the installation affected by the proposed change.

Document reference

- A suitable plan showing the layout of activities on the site, including bulk storage of materials, waste storage areas and any external emission points to atmosphere, indicating which activities will be affected by the proposed change.

Document reference

- A suitable plan showing the site drainage system and all discharge points to drainage or water courses indicating which will be affected by the proposed change.

Document reference

## B2 The Installation

*Please provide written information about the aspects of your installation listed below. We need this information to determine whether you will operate the installation in a way in which all the environmental requirements of the EP Regulations are met.*

- B2.1** Describe the proposed change to the installation and activities and identify the foreseeable emissions to air from effecting this change (this will include any foreseeable emissions during the start up, shut down and any breakdown/abnormal operation).

*The use of process flow diagrams may aid to simplify the operations.*

Document reference

- B2.2** Once all foreseeable changes in emissions as a result of the proposed change have been identified each emission should be characterised (including odour) and quantified.

**Atmospheric emissions** should be categorised under the following:

- i) point source (e.g. chimney/vent, identified by a number and detailed on a plan)
- ii) fugitive source (e.g. from stockpiles/storage areas)

Document reference:

- B2.3** For each emission which will be affected by the proposed change, describe the current and proposed technology and other techniques for preventing, or where that is not practicable reducing the emissions.

Document reference:

**B2.4** Describe the proposed measures for additional monitoring of all identified emissions as a result of the proposed change.

Document reference:

**B2.5** Describe the effect the proposed change will have on your environmental management techniques, in relation to the installation activities described.

Document reference:

**B2.6** Detail in the table provided below or on an additional sheet if preferred the exact conditions you wish to change in your current permit.

| Permit condition ref | Proposed new wording of condition |
|----------------------|-----------------------------------|
|                      |                                   |
|                      |                                   |

|                      |                                   |

**B2.7** Please supply any additional information which you would like us to take account of in considering this variation application.

Document reference:

### **C1 Fees and Charges**

You must enclose the [relevant fee](#) with your application. Your application cannot be processed unless the application fee is correct and enclosed. If your application is successful you will also have to pay an annual subsistence charge, so please say who you want invoices to be sent to:

|            |      |
|------------|------|
| Name:      |      |
| Position:  |      |
| Address:   |      |
| Postcode:  |      |
| Telephone: | Fax: |
| E-mail:    |      |

**C1.1** Please state the amount enclosed as a fee for this variation application.

|   |  |
|---|--|
| £ |  |
